

## **SciPub Seminar - Writing a Winning Research Grant Proposal**

The editors of the Scientific Publications team are pleased to present a seminar on grant writing.

The seminar will focus on writing proposals – mainly for ISF, and, in brief, for BSF and GIF – and will be held on the following dates (Please check the RDA's Weekly for updates):

Thursday, July 5, 2018 (In English)

Thursday, July 19, 2018 (In Hebrew)

Thursday, September 5, 2018 (In Hebrew)

All seminars will be held from 10:00–13:00 in the Dekel Room, 2nd floor of the Zlotowski Student Center building (near the RDA offices).

Participation is open to BGU faculty members only and requires advance registration with [Reesa Stone](#). The seminar's presentation is available for download on the RDA's website (Research and Development Authority > Internal Website > Information for New Researchers).
