Drug Discovery For Nervous System Disorders	PAR-19-147	R01 Clinical Trials Not Allowed	January 08, 2022
Drug Discovery For Nervous System Disorders	PAR-19-146	R21 Clinical Trial Not Allowed	January 08, 2022
Advancing Development of Rapid Fungal Diagnostics	PA-19-081	R21 Clinical Trial Not Allowed	January 08, 2022

Parent Announcements (For Unsolicited or Investigator-Initiated Applications):

Parent announcements are broad funding opportunity announcements allowing applicants to submit investigator-initiated applications for specific activity codes. They are open for up to 3 years and use standard due dates.

Not all NIH Institutes and Centers participate on all parent announcements. Before submitting your application, make sure the NIH Institute or Center that might be interested in your research is listed as a participating organization in the announcement.
