

General Topic	Core Programs	BSF Call	NSF Deadline	BSF Deadline
Ocean Sciences	Physical Oceanography program	Call for Proposals	August 15, 2018	August 20, 2018
	Chemical Oceanography program		August 15, 2018	August 20, 2018
	Biological Oceanography program		August 15, 2018	August 20, 2018
	Marine Geology and Geophysics program		Submission at any time	Submission at any time
Chemical Engineering and Energy (CBET)	Catalysis	Call for Proposals	Expected for October 2018	Expected for October 2018
	Energy for Sustainability		Expected for October 2018	Expected for October 2018
	Process Systems, Reaction Engineering and Molecular Thermodynamics		Expected for October 2018	Expected for October 2018
	Cellular and Biochemical Engineering (CBE)		Expected for October 2018	Expected for October 2018
	Process Separations		Submission at any time	Submission at any time
Physics	Basic Plasma Sciences and Engineering	Call for Proposals	October 19, 2018	October 26, 2018
	Physics of Living Systems		October 31, 2018	November 6, 2018
	Atomic Molecular and Optical Physics – Experiment and Theory		October 31, 2018	November 6, 2018
	Elementary Particle Physics – Experiment		October 31, 2018	November 6, 2018
	Gravitational Physics – Experiment and Theory		October 31, 2018	November 6, 2018
	Integrative Activities in Physics; and Particle Astrophysics – Experiment		October 31, 2018	November 6, 2018
	Nuclear Physics – Experiment and Theory		November 14, 2018	November 19, 2018
	Elementary Particle Physics – Theory		December 6, 2018	December 13, 2018
	Particle Astrophysics and Cosmology – Theory		December 6, 2018	December 13, 2018
	Computational Physics		December 6, 2018	December 13, 2018
	Quantum Information Science		December 6, 2018	December 13, 2018
Materials	Biomaterials	Call for Proposals	November 1, 2018	November 7, 2018
	Condensed Matter Physics		November 1, 2018	November 7, 2018
	Electronic and Photonic Materials		November 1, 2018	November 7, 2018
	Metals and Metallic Nanostructures		November 1, 2018	November 7, 2018
	Polymers		November 1, 2018	November 7, 2018
	Solid State and Materials Chemistry		November 1, 2018	November 7, 2018
	Ceramics		Submission at any time	Submission at any time
	Condensed Matter and Materials Theory		Submission at any time	Submission at any time
Electrical, Communications and Cyber Systems Division (ECCS)	Electronic, Photonic, and Magnetic Devices (EPMD)	Call for Proposals	November 1, 2018	November 7, 2018
	Energy, Power, Control and Networks (EPCN)		November 1, 2018	November 7, 2018
	Communications, Circuits, and Sensing-Systems (CCSS)		November 1, 2018	November 7, 2018
Ecology and Evolution of Infectious Disease (EEID)		Call for Proposals	November 21, 2018	November 27, 2018
Computational Neuroscience (CRCNS)		Call for Proposals	November 27, 2018	December 3, 2018
Computer Networks and Systems (CNS)	Computer Systems Research (CSR)	Call for Proposals	November 2018	November 2018
	Networking Technology and Systems (NeTS)	Call for Proposals	November 2018	November 2018
Cyber Security and Privacy		Call for Proposals	November 2018	November 2018
Computer Science	Algorithmic Foundations (AF)	Call for Proposals	November 2018	November 2018
	Communications and Information Foundations (CIF)		November 2018	November 2018
	Software and Hardware Foundations (SHF)		November 2018	November 2018
Integrative Organismal Systems (IOS) - EDGE Track		Call for Proposals	February 7, 2019	February 12, 2019
Earth Sciences	Geophysics	Call for Proposals	Submission at any time	Submission at any time
	Petrology and Geochemistry		Submission at any time	Submission at any time
	Tectonics		Submission at any time	Submission at any time
	Geobiology and Low-Temperature Geochemistry		Submission at any time	Submission at any time
	Geomorphology and Land Use Dynamics		Submission at any time	Submission at any time
	Hydrologic Sciences		Submission at any time	Submission at any time
	Sedimentary Geology and Paleobiology		Submission at any time	Submission at any time
			Submission at any time	Submission at any time
Environmental Biology (DEB)		Announcement is expected in the summer of 2018	Submission at any time	Submission at any time
Molecular and Cellular Biosciences (MCB)		Announcement is expected in the summer of 2018	Submission at any time	Submission at any time
