Facebook Tel-Aviv, Product Analytics

The chance to move fast, be bold and build products and services with impact has never been greater. At Facebook, we have a saying that the journey is only 1% finished — join us as you begin yours. We have tons of exciting opportunities available for university grads and interns who want to help us in our mission to bring the world closer together.

Passionate about Facebook's product, analytics and technology?
Like to work with big data?
Want to influence product decisions impacting over 2 billion people?
We want to talk to you.

The Analytics team is looking for fast-moving analytics candidates and data junkies who want to make an impact.
We have 2018 University Graduate roles in Data Science and Data Engineering, and parallel internship roles for those who have not yet graduated.
